★ GRUDGEBEARERS ★

Dwarfs are ideal Blood Bowl players, being short, tough, well armoured and having the stubborn knack of refusing to give any ground to their opponents.

Most successful Dwarf teams work to the principle that if they can take out all of the opposing team's potential scorers and wear down the rest, then there won't be anybody left to stop them scoring the winning touchdown! The Grudgebearers are no exception and have become famous for their intricate and well-planned plays, as well as never forgetting an insult or dirty trick carried out by an opposing team!

THE GRUDGEBEARERS BOXED SET CONTAINS A COMPLETE DWARF BLOOD BOWL TEAM CONSISTING OF:

2 Troll Slayers

2 Blitzers

6 Long Beards

2 Runners

1 Grudgebearers transfer sheet to allow you to detail your team with numbers and symbols.

BLOOD BOWL

★ GALADRIETH GLADIATORS ★

When Blood Bowl was first played, the High Elves disdained the sport, however it didn't take them long to realise that there is nothing to beat seeing your team wipe out the opposition in a hard-fought game. High Elves are now renowned for their high-speed passing game, relying on the accuracy of their Phoenix Warriors and the icy calm of their catchers to score fast throwing touchdowns.

THIS BOXED SET CONTAINS A COMPLETE HIGH ELF BLOOD BOWL TEAM CONSISTING OF:

- 2 Dragon Warriors
- 2 Lion Warriors
- 1 Phoenix Warrior
- 7 Linemen
- 1 Galadrieth Gladiators transfer sheet to allow you to detail your team with numbers and symbols.

High Elf teams are also remarkable for their combination of speed and agility, which makes their players the epitome of grace when it comes to the running game.

CHAOS ALL-STARS

Chaos teams are not noted for the subtlety of their game play. A simple drive up the centre of the field, maiming or mauling as many opposing players as possible, is about the limit of their game plan.

They don't do any fancy manoeuvres, no consideration for picking up the ball and kicking it sideways to kill their way to player safety in the opposing team's power.

The Chaos All-Stars boxed set contains a complete Chaos Blood Bowl team consisting of 3 Chaos Warriors and 8 Beastmen together with a Chaos All-Stars transfer sheet to allow you to add numbers and symbols to your team.

Chaos Warrior

Chaos Blood Bowl is a game of strategy and tactics.

It is a game of skill and strategy.

It is a game of chance and luck.

★ ORCLAND RAIDERS ★

ORC BLITZER

Orcs have been playing Blood Bowl since the game began. They just love the mayhem and treat every game as an excuse for a good brawl.

This approach has also made them very successful. The Orcland Raiders were the first-ever winners of the Blood Bowl Open Championship, and this famous team is rightly feared across the Old World for its ferocity and power.

Their aggressive and violent approach to the game has often been mimicked but rarely bettered, and the team are sure-fire candidates to walk away with the coveted Blood Bowl Open Championship trophy for a second time.

★ CHAMPIONS OF DEATH ★

© Games Workshop Ltd 1992

Blood Bowl fans both love and fear Undead teams. Although they are a horrendous sight to place in the middle of the scrimmage, they are renowned for their ability to make a come back.

The opponents often stand against as Skeletons and Zombies rise from fatal blows and return to the fray with renewed vigor. Many Blood Bowl teams have even found themselves playing against a

WITCH ELF

Dark Elves make superb Blood Bowl players, combining their strength, speed and agility with a low cunning and an evil temperament.

Although best suited to the throwing game, sheer spite makes the Dark Elves enjoy the violent conflict of the running game. Witch Elves and Dark Elf Blitzers in particular, excel at punching a hole in the opposing line of scrimmage through which their fleet-footed team mates can run.
